## PHALS Pre-Primary School Programme

### PHALS own supported activities on PHALS Pre-Primary School Program at Cox's Bazar Sadar and Ramu Upazila, Cox's Bazar

#### Objective

To increase the literacy rate up to reasonable percentages, education is the key component to create a better nation. This pre-education program is for especially those children whose ages are below 6 and have no scope to go to primary school as government provision. They become ready to enroll in school upon having the necessary preparation with their eligibility for this school. This is an elementary school where children learn through a process of playing in a pleasant environment and learning alphabetic knowledge along with fellow children.

**Funding: PHALS own generated fund.**

#### Main Activities

To create interest in education among the poor children by enrolling them in the local primary school under the supervision of 10 teachers. Pre School Education has been provided to 350 children through 10 education centers. Each school is run by one teacher and the number of students is 35 per school. The name of PHALS pre-primary schools is Nozomi, Suzuran, Suzugamin, Hope, Samaria 1, Samaria 2, Samaria 3, Bondhu, Join's Family, Samaria 4.

## Outcome

In the year 2021, maintaining through all necessary measures, three hundred eighteen students' (boys 164 and girls 154) are continued pre-primary education through ten Pre School Centers at various locations of Khurushkul, Tetoiya of Cox's Bazar Sader sub-district, Chaindha Kawarkhup, and Monirjhil of Ramu Sub-district. In each class, there were 30-35 students given direct education, coaching, and psychosocial support in order to assist children's development in the area of cognitive and psycho-social development. PHALS supported these students with teaching aids materials, stationery for students, and salaries for teachers. In 2021, the passing rate is 95% and the enrollment in the primary school rate is 96%. The students enrolled in different Govt and non-Government primary schools and institutions after the completion of the preprimary school examination.

## Challenge

- Strict lockdown during COVID-19 situation
- Due to COVID-19 scarcity few parents didn't want to enroll them in primary education this time.
- Natural disaster/flood

## Overcome

- Attempts have been made to conduct teaching activities by redacting the attendance of students in compliance with health rules.
- Educational activities have been confirmed through home visits and phone conversations with students and parents.
