# **SDC-PHALS-BRAC SOCIAL COHESION FUND FOR COX'S BAZAR DISTRICT**

## **Project Goal**

The development of marginalized and disadvantaged adolescents (Age 14-18) male and female through integrated skill development training and the creation of employable skills. However, in some cases, learners with a disability or transgender can also be included in the project. The age limit for them can be up to 14-20 years.

## **Main Activities**

**Beautician Training program**

It is distinctly evident that 57% of adolescent girls are at risk of child marriage, sexual exploitation, abuse, and negligence. Therefore, PHALS and BRAC are working together to mitigate this alarming concern through a skill development program for the host communities in Pekua. The skill development program has been specially designed for poor and disadvantaged adolescents (ages 14 to 18). The overall objective of the project is to develop employable skills and establish job linkage for marginalized and disadvantaged adolescents (Age 14 -18 male and female to create better opportunities for their livelihood and make them empowered. In this perspective, Pekua Upazila is divided into two branches such as pekua 1 and pekua 2. Pekua 1 is divided into Pekua Sadar and
